Detectives Seek Assistance in Identifying Sexual Assault Suspect

***** Update *** Sketch of Suspect Attached *** Update *****

On Tuesday, December 30, 2017 at approximately 8:42 p.m. LVMPD officers were dispatched to 1655 East Sahara Avenue to investigate a report of a man that attempted to sexually assault two women.

The investigation initiated by the LVMPD Sex Crimes Section indicates that one of the females momentarily exited the apartment to take the trash out. She closed the door but left it unlocked. When the female returned to her bedroom, a black male suspect exited her closet, tried to cover her mouth with a shirt and began to assault her. The two struggled as the suspect pushed her on the bed. As the victim screamed, a second female, who had been in the shower, ran into the bedroom to assist. The suspect attempted to assault and fight with both females before fleeing the apartment.

The suspect is described as a black male adult 25 – 26 years old, 5'7"– 5'8" in height, black eyes, thin build and is **believed to have scratches on his face**. He was described as wearing a black or dark hoodie and wearing one glove on his left hand.

***** Update *** Sketch of Suspect Attached *** Update *****

As of this updated release, detectives continue to attempt to identify and locate this suspect. A sketch of the suspect accompanies this release.
